The screenshot shows the Facility Booking web interface. At the top, there's a header with 'Facility Booking' and a search bar. Below the header, there's a calendar view for January 2014. The calendar shows days of the week (Sen, Men, Ti, On, Tor, Fre, Lør) and times (08:00, 10:00, 11:00, 12:00, 13:00). A specific date and time slot are highlighted in blue. To the right of the calendar, there's a form with fields for 'Formål' (Purpose) and 'Sluttid' (End time). Below the calendar, there's a 'Book' button.
