

# WATCH BRACELET MEASURING TAPE

Print this page and follow the instructions below to properly measure your wrist size.

## Instructions:

- Click the print icon (  ) at the top of the page

NOTE make sure the Page Scaling drop down box is set to None

- Compare the Bracelet Sizer Below to a ruler or tape measure to ensure it was printed in the right scale.
- If the Sizer scales match up to your ruler, cut out the entire sizer around its borders.
- Punch a hole through both  and cut along the dotted lines between the holes.
- Place the sizer around the wrist to be measured, and pull rounded end through the slit.
- Make sure there is enough room left around the wrist to allow for an index finger to fit through.
- Read off the measurement in inches or millimeters as it appears through the slit.
- When checking out, please include the measurement in the comments field if you wish to have us size your timepiece.
